

One of the beautiful things about baseball is that every once in a while you come into a situation where you want to, and where you have to, reach down and prove something. **Nolan Ryan**

Husky baseball fans:

Please consider this opportunity to help make improvements to the boy's baseball field at Hamilton Heights High School. You are receiving this message because you & your family have a connection to Husky baseball.

The HH coaches, administration & the Husky Champions Club support the creation of “ **Full Count** “. Full Count is a baseball booster club targeted at families that have boys on the high school team, or in the feeder system-grades 6 & up.

- 1) **Why:** The boy's field at HH is in need of many repairs & upgrades. The big ticket items are drainage, chain-link, dugouts, & batting cages.
- 2) **Objective:** Facility Improvements & Maintenance
- 3) **Structure:** Full Count is an optional, volunteer group; We will meet a few times per year to prioritize facility needs, costs, and develop action plans. We will raise funds to compliment the school budget. We need your Network & some who have time & interest to work with their hands.
- 4) **Scope:** Full Count is a low profile, optional group. The coaches & AD are not overseeing this group. If you join, it does not mean your son will make the team, or get to play. It does mean that someday, your son could have the chance to play on a top notch facility.
- 5) **Fees & Membership:** We would ask that you donate **\$40.00 or more** that will be used specifically for repairs like those listed above.
- 6) **How to Donate:** Complete the information below & make checks payable to ***HH Baseball***.
Mail to: Full Count, c/o Arcadia Baseball, PO Box 337. Arcadia IN 46030

If you have questions, you can call or text me at 317-409-4097. Please be a part of this transformation. Let's do it together now & enjoy it for years to come.

**Thank you,
Kenny Sipe**
